INVESTITURE CEREMONY

Reach high, for stars lie hidden in your soul,
Dream big, for every dream precedes the goal.

The investiture ceremony is a special event in schools where the newly appointed leaders of the school are officially awarded their titles and responsibilities. The investiture ceremony was held in Isaac Newton Global School to encourage and kindle leadership qualities in our young leaders.

The ceremony was graced by beloved trust members of the school. The ceremony started by lighting the lamp which signifies the removal of darkness and continuous upward movement of the flame denotes a path of wisdom and divinity.

Then the outgoing leaders handed over their symbols of authority like badges and sashes to the principal, and the newly appointed leaders were given their badges and sashes by the chief guest signifying the transfer of power. The band played melodiously as the leaders marched ahead.

The newly appointed leaders then took an oath, pledging to work with dedication and sincerity for the betterment of the school and its students.

The outgoing head boy and head girl shared their experience and gratitude by their speech where as the newly appointed head girl and the head boy promised to continue and fulfil their responsibilities with complete honesty.

The principal motivated the students and blessed them with her golden views which would help the students to make their vision clear for the achievement of their goal by performing

their duties with full dedication. She then congratulated the newly elected Students' Council and emphasised the significance of setting priorities and the need of the hour to be a team player. She also thanked the outgoing council member for their dedicated service. The ceremony ends with a vote of thanks.

Investiture ceremony holds immense significance in schools as it instils a sense of responsibility, leadership, and accountability among the students. It also helps to build a sense of community spirit and pride in their school.
