**Date: 5<sup>th</sup> September 2023**

**Time: 10:30 am to 1:30 pm**

**Venue: INGS Assembly Hall**

**Conducted by: Students and PTA members**

Teacher's Day is a special occasion to express our gratitude and appreciation to the dedicated educators who shape our future. At Isaac Newton Global School, we celebrated Teacher's Day with great enthusiasm and warmth.

The day began with a heartwarming special assembly in the school courtyard. Students and teachers gathered, and the atmosphere was filled with excitement and respect. The assembly hall was beautifully decorated with colorful banners and flowers.

The melodious voices of our students echoed through the school as they sang soulful songs dedicated to their teachers. The songs conveyed heartfelt emotions, leaving both teachers and students with teary eyes and smiles on their faces.

Students from various grades as well as PTA members showcased their talents through captivating dance performances. The performances were a delightful mix of traditional and contemporary dances. It was a joy to watch the students' and parents' enthusiasm and coordination as they expressed their love and respect for their teachers through dance.

The PTA members also expressed their gratitude towards teachers through poems and songs. They also prepared the kids for special performances which was a sweet gesture towards the teachers.

Following the cultural performances, a sumptuous lunch was served to the teachers and students. The school management also arranged for a special gift distribution ceremony. Each teacher received a thoughtful gift as a token of appreciation for their tireless efforts and dedication. This gesture was met with heartfelt gratitude from the teaching staff.

The Teacher's Day celebration was a resounding success, exemplifying the strong bond between not just teachers and students but also parents and teachers. It was a day filled with gratitude, appreciation, and memorable moments that will be cherished by all for years to come. This celebration reaffirmed the importance of teachers in shaping the future of our students and our nation.
