

(WELCOME)

Good Evening. Greetings to one and all present here. This evening is one of the very special evenings in the calendar of a school.

I 'Mrs. Sophia D'Abreo' the Principal of Isaac Newton Global School feel extremely privileged to have this opportunity to address you all at this important moment for celebrating our 6<sup>th</sup> Annual Day 'Rishtey' a tribute to family, friends and nation. As the Principal, it is an honour for me to warmly welcome you all – the special members of the INGS family to this grand and auspicious annual function.

(HISTORY)

Isaac Newton Global School- a happy school with a difference, the brand name in the field of education that came into existence in the year 2014 by the most trusted The Bassein Education Society. The baby steps taken by INGS were worth the pace as then INGS bloomed into its beautiful structure in the year 2017 when the professionals in the domain of education 'the Carmel and Sethi Education company, collaborated and blended gracefully with BES to make this institute stand taller and stronger amidst the dynamics of the changing world.

***'The future belongs to those who believe in the beauty of their dreams'.***

A dream that was clearly visible in the eyes and minds of our managing trustees who then stood strong to convert their dream into reality. Our grand expedition is conceded by our Management Committee to transmit their optimism to opportunities with a selfless approach to make access to the inaccessible fruit of learning.

We delight in the beauty of the butterfly and rarely admit at the changes it has gone through to achieve that beauty.

On this special note, it is my honour to invite our active management team for their ceaseless support.

Firstly, I would like to invite our appointment committee – Prof. Shibu Nair, Prof. Bhupesh Kocharekar and Prof. Suresh Chaudhary

Secondly, I would like to invite our Sports Committee- Mr. Prakash Vanmalli and Mrs. Pradnya Kulkarni

Moving on to our Finance Committee- Mr. Satpal Singh Sethi, Mr. Kawaljeet Singh Sethi, Mrs. Preethi Sethi and Mr. Rahul Gavankar

I would also like to invite Mrs. Shraddha Gavankar for her constant guidance in miscellaneous deeds of the school

Let me also borrow a moment to be grateful to Dr. Sandeep Gavankar who is the main pillar behind this institution (As Sir is in Australia, he is unable to show his presence today but is still with us because of the livestreaming factor)

Also I would like to invite our manager- Mr. Jubin Barot to keep the show going with precision.

The credit of sowing the seed to develop this sea of knowledge is endorsed to the mainstay of Isaac Newton Global School as the dream came alive by the stannous efforts of our managing trustees for their exertion in elevating every single stone to be wonderful learning hub. My dear Ladies and gentlemen, to construct this infrastructure was a huge challenge but our eminent management made this happen and today we have this enormous school building. It was possible due to the continuous efforts and pure dedication of all our trust members.

INGS gradually grew in abundance not just in numbers but also in terms of respect and love where we together as a team did not leave any stone unturned by striving hard in excellence and winning the dome of CBSE affiliation on 21<sup>st</sup> January 2022. Today, INGS has completed its successful 9 years and this clearly speaks volume of our school. After the dessert of affiliation and tremendous achievements and victory through awards, the efforts of INGS teammates has multiplied to rise high and lift our school to a top notch to keep winning hearts.

#### (MANAGEMENT/AFFILIATION)

INGS has been established with the promises of having a building and playground of its own, It's the sweat and hardwork and the huge investment of time and energy of so many people our trustees, the managing committee, teachers, non-teaching staff, PTA, and well-wishers that on 21st January,2022 we got Affiliation to our School with the Affliation No: 1131196. INGS will be the first CBSE school in Vasai, where the first batch of grade 10th will enroll through the same institute. We received this affiliation after a rigorous inspection process by a team of Inspection Committee members duly constituted by the CBSE - NEW DELHI. Being a very new school in Vasai, this is a great achievement.

It's been 9 long years since the inception of this institute. INGS began its journey in the year 2014 with 85 students, present academic year 2022-23 the strength is 1212. This speaks the volume of the school.

The institute is flourishing due to the efforts of our Trustees and the managing committee. For every institute to run smoothly, planning and execution is required. We are backed by the most experienced and passionate management. We would like to express our sincere thanks to all our parents and well-wishers for their constant support for our endeavors to ensure quality education for our students. I think every single person who has been associated with INGS deserves a big round of applause for making it what it is today and paving the path for a new building, a new campus. We assure you that we will continue our efforts to achieve excellence.

(ANNUAL REPORT BEGINS)

The gates of Isaac Newton Global School are always open to every individual to create, to spark and to determine their destiny to bring life to their lives with

divine blessings to reach further miles with a smile. Isaac Newton Global School is a ladder to bestow the flairs to gleam into vibrant shades. We heartedly invite you to glimpse all our expenditures and hardships, excitements in the Eden of INGS as we staidly march towards panicle of success. We take pleasure in summing up all our commitments which carried us to face various challenges in our drive through the journey of the academic year 2022-23.

Let us now have a glimpse of all the major domains, factors and achievements of INGS

- **First day** of academic year 2022-23 (was on 4th April 2022)- A new day signifies a new beginning with a pocket full of dreams with an innocent smile. We beckon the blessings of our lord to begin our academic year on 4th April 2022. Right from the very beginning of the year a plethora of co-curricular and extra-curricular activities were introduced for the moral, intellectual and physical development of our students.

- Moving on the factor from where the teaching is imparted- our kind and hardworking **Teaching Faculty**. Like a beautiful sunrise that brighten the world. INGS is blessed with talented teaching faculty to guide, mark and to glitter every child entrusted to them. It has been bounded with

compassionate and dedicated cognizance with dazzling ideas to create a spark young minds and brand unique ambassadors to the world. A colossal appreciation to all the teaching & non-teaching staff for all your contributions towards our institution to generate a remarkable path. The teachers are digitally prone and are updated by professional teacher training seminars and orientation held by eminent professionals and educationist.

- **Scholastic and Co- Scholastic Activities:**

The school looks at each learner as a unique whole person with inherent genius, special capabilities and unlimited potential by providing an encouraging environment to the students who are mentored to participate in a variety of *intra school and inter school activities*.

- This year around 200 students participated in **SOF** in different subjects, this helped them to think beyond the boundaries of school curriculum.
- - **Olympiad Exams**- Real learning comes about when the competitive spirit has an ambitious desire. To scoop the deep knowledge and thirst of our children through SOF and Spell Bee (Olympiad exams) for Maths, Science & English, many won the challenge of trapping gold, silver, bronze medals and certificates adding proud moment to school.

- One of the important assest of our school was **Investiture Ceremony**. Great leaders don't set out to be a leader. They set out to make a difference. The school cabinet of young leaders was sworn in a very impressive Investiture Ceremony which was held on 15<sup>th</sup> June 2022 with lot of zeal and zest. The leaders pledged to bestow their duties and mounting the flame of virtue and holiness as they were vested with leadership responsibilities. The day was marked with prominent grace by **inaugurating the idol of Goddess Saraswati** in the premise of INGS to shower the blessing of knowledge and wisdom to all of us.

### Sparsh:

n the 21st Century, the world is changing fast. Therefore, the conventional education curriculum, which was developed in the early 20th Century, has to pave the way for a new kind of education and learning.

Students were introduced to a wide range of activities that give them better strength while letting them choose what they wish to learn what they enjoy.

The cultural Academy - Sparsh was inaugurated on 15<sup>th</sup> August 2022. Sparsh constitutes of Radio jockey, Drama, Music, dance and art and craft. Lets see the glimpse of our academy:

- We are proud to announce the inauguration of two clubs in INGS, that is Science club named '**Scientia**' and English language club named '**The English Cafe**', these were inaugurated on 30th Nov 22.
- The aim is to open different avenues for children to be aware about these subjects and try to achieve mastery skills in each activity that will be organised in coming months.
- One of the important activity held in the year 2022-23 was the **Science Quiz competition** organised by the team of Scientia.
- We also celebrated **Math Day** to pay a tribute to eminent mathematician Mr. Ramanujan by organising Math Quiz competition for all the grades
- We had put up a great show celebrating **Azadi ka Amrit Mahotsav and Hindi Divas** through a special assembly.
- The list doesn't end here, we had organised wonderful **activities** for our children in 2022 which comprised *Talent Hunt, Tiger day, French day, Green day, Bagless day, Best out of Waste, Independence day, Teachers day, Elocution and Debate competition, Patriotic song competition, Poster making, No fire cooking, Diwali celebration, Children's day and Christmas celebration.*
- The zeal of activities doesn't just follow the academic year pattern but also touches the vacation where we enjoy to the fullest by arranging **Summer Camp** for all our enthusiastic children to play and learn even in vacation mode.

To continue the same zest we also celebrated:

**-Women's Day & Men's Day**

Behind every successful man there stands an understanding. To respect the individuality of every staff, INGS celebrated women's and men's day with full vigour

**-Seminars** for children (Sex Education & Menstruation)

In the growing age of oxytocin, it is the need of an hour to educate the

young minds about their own self.

**-Donation to ZP school**

It is well said that 'Charity begins at home', with the same spirit INGS family reached beyond the horizon to extend a helping hand to the students of ZP school.

- The continuous spirit of excellence and victory wouldn't be possible without the support and cooperation of our dear parents. It is believed that Childhood is the most beautiful season of life where connecting home and school makes them a great community of learners. Periodical **Parents' and teachers' meetings** with progressive suggestions to improve the all-round development of students were conducted. Four PTA and Two SMC meetings in the academic year were held to periodically review the enhancement of every ward under curriculum and attitudes to resolve and assist them to reach their latitudes. Teachers' observation record is a special tool for continuous monitoring of a child.

**(ACHIEVEMENTS)**

In the journey of growing heights, INGS achieved recognition not just in Vasai but also amongst the schools of Mumbai by winning two predominant awards:

1. Adopting Best in Class Tech-Enabled Education Infrastructure by Eldrok India K-12 Summit.

2. School with Best appropriate measures for safety – Palghar region by Athos- Mimansa school award.

The domain of sports has the vast potential to “better” the game of life itself. Sports play a pivotal role in instilling among our impressionable learners values that would hold them in good stead throughout their lives, such as, discipline, team spirit and sportsmanship. In the month of December various **sports events** of CBSE Games, DSO, Kalakrida was organized to provide the young sports boy and girl a wonderful opportunity to sweat on the track and field to prove their sports skills. Our students participated in various championship tournaments not just at district, state or national level but also International level to win prizes and hearts thereby making the school and nation proud. I feel proud to say that we have innumerable gems in our school who have won a lot of

certificates, medals and awards which were spoken to turn this night to day. So, I would like to mention a few of the winners who have won the major tournaments recently:-

**Saanvi Patil** – Won a gold medal at National level Kick boxing tournament held at Kolkata. She also represented India for the world championship to Italy.

**Shreeshan Palwankar** – Won first prize multiple times in the carrom tournaments (held in state level).

### (SHIBU SIR)

The cherry on the cake is our academic director, Prof. Shibu Nair is selected as the trainer faculty for ministry of home affairs. Sir is also a faculty for Mumbai Police. Sir conducts lectures for CISF and bureau of immigration and National academy for customs and narcotics. Sir also authored a book, Why should I worry when I can face the world. Ladies and gentlemen, this book was selected as the 2<sup>nd</sup> among the 7 best selling books.

We are heading towards the end of our annual report and one of the major factor I would like to highlight is **Health and Hygiene**. We believe that good health of students is a primary concern of INGS, we celebrated International Yoga Day in our school. Priti Sethi ma'am conducted yoga sessions on this day and advised our students to practice yoga on daily basis. Also special session was organised for girls of grade 7 to 9 on menstruation hygiene.

(CONCLUSION)

We shape every oyster in the sea of INGS to nourish a classic collection on earth. The footprints of every child who embark on the goodness of the vision of the school may instill in the heart and soul fabulous experiences with unforgettable memories. We are deeply humbled by the unflinching support of the parents and well-wishers of Isaac Newton Global School as we conclude this report we express our heartfelt gratitude to them. Thank you to all the team members of INGS for your constant support and placing your faith in our education mission, we will continue to work preparing citizens for our nation with great love and zeal.

Thank You. God Bless
