## **PHILOSOPHY**

*The philosophy of INGS is that of a non-discriminatory school that gives importance to academic excellence, appropriate discipline, ethical standards, continuous learning, self-love and respect for all. Our understanding of children's growth and development is different from others, which helps us develop a new attitude towards children.*

*At INGS every child is unique and is given an opportunity to develop and express his/her creative and imaginative self. We focus on extracurricular activities and personality development along with academics. The learning abilities of the children are perceived and evaluated keeping in mind this uniqueness. We strive to prepare ourselves to organize a revolutionary learning environment for children. We believe in an integrated approach between children, teachers and parents to understand children and their 'growing up' needs.*

*INGS is an effort in a direction that would create change with and through education. At INGS, we focus on the overall development of the child i.e. Body, Mind and Soul; which helps to create compassionate world citizens.*

## **VISION**

*Our vision is a community where all children feel loved, respected and encouraged so that they can pursue their dreams.*

## **MISSION**

*Our mission is to provide quality education and child care in a safe, respectful and inclusive environment that builds a foundation for lifelong learning.*

## **MOTTO**

*EXPLORE the world of infinite opportunities.*

*ENDEAVOUR to succeed.*

*EMPOWER thyself.*

## **OBJECTIVES**

- *INGGS believes in enduring quality education with a zeal to help every child to develop into a holistic personality.*
- *Every element of the school works to develop the skills of the learners, moulding each child's innovative talents to create a positive expression, capable of right action and attitude.*
- *The passionate facilitators at INGS facilitate a learning process with challenging strategies that help the learners to develop into responsible, caring and ethical world citizens.*
- *We focus to develop young learners into truly refined and noble citizens with broad interests and accomplishments, ready to face new challenges, generate ideas and venture to newer horizons that become a lifelong habit.*
- *INGGS offers a dynamic, success oriented education empowering learners with global and local perspectives.*

## ***SPECIAL ASSEMBLY***

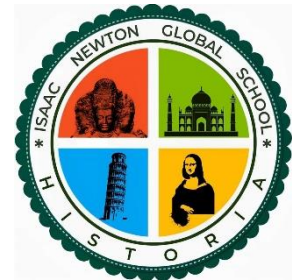

*On special days of the academic calendar, special assembly is planned to enlighten the students about the importance of various days and values adopted by celebrating different festivals. Special assemblies were conducted for Eid, Maharashtra Day, Earth Day, Friendship Day, Parents day, Children's Day, International Yoga day, International Tiger day alongwith festivals like Janmashtami, Onam, Ganesh festival, Diwali and Christmas.*

*Special ceremonies were also held on Independence Day and Republic Day to paying tribute to our nation.*

*Through special assembly, INGS aims to foster broader perspective towards the unity of the nation thereby instilling good values in children.*

## ***CLUBS***

*INGs launched four clubs viz. English, Science, Mathematics and Social Science to help children relish the inquisitiveness of their mind through practical learning approaches of the subject.*

*THE ENGLISH CAFÉ- ENGLISH  
SCIENTIA- SCIENCE  
MATHEMAGICIANS- MATHEMATICS  
HISTORIA- SOCIAL SCIENCE*

## ***SEMINARS***

*INGS focuses on imposing authentic guidance and expertise to teachers, students, and parents by conducting productive seminars throughout the year. The topics of the seminar aid to influence young minds by qualitative information.*

*The area of topics of seminar were based on Orientation session for teachers and parents along with stress management sessions for students and teachers.*

*Seminars on topics like mental wellbeing, menstruation, cyber crime were held to help children understand the changes within the body and in the outside world.*

*Academic driven seminars were held for teachers to understand the Effective Teaching Techniques and for students to cater to the Olympiad Exam.*

## ***ACTIVITIES & COMPETITIONS***

*The students put their creative prowess to work, employing various techniques such as illustrations, symbols, equations, and mathematical symbols to showcase the significance of activities. They utilized vibrant colors and innovative design elements to create eye-catching and meaningful articles through activities. After careful evaluation by judges, winners were selected from each grade based on their performance.*

*Competitions were held by Club Team to ignite the creative quotient in children.*

*Grammar Quix contest by The English Café, Slogan Writing competition by Historia club.*

*Apart from the traditional activities like Elocution, Poster making, Story telling or creative writing competition, some challenging and trendy activities like Blogging, Vlog competition, Pictography contest, Rubic's cube challenge, street play competition, logo designing contest were held to aid kids boost their cognitive interest and creativity.*

*Bearing the values of life in mins, children also participated in Door Plate making, family collage making, memento making contest to gift their parents, siblings and friends as a token of love.*

*On special days of festivals like Diwali and Christmas, children also participated in Competition like Diya decoration, Jingle contest, Star making contests. Students also showcased their talent in Chess and Carrom competition. Apart from intra class events and competition, students nailed their position in state and national level competition in Chess, Carrom, Kick boxing, Taekwondo, Skating, karate etc.*

## ***EVENTS***

*The pride of INGS also lies in the hands of Student Council members to initiate and sustain the discipline and agility in their notion. New student council members are appointed every year through an Investiture Ceremony.*

*To foster academic growth in the most prominent way, practical learning activities are held in a fun yet active way by arranging field trips to nearby places that signifies historic and environmental importance.*

*Students visited Vasai Fort, Bhuigaon beach as their field trip venue. Students also visited Suruji Beach as a Beach Clean Drive venue. Children when learn in the outer world instill deep inner values about the nature that we dwell in.*

## ***SCHOOL PICNIC***

*On 2nd February 2024, our school organized a picnic to Water Kingdom, one of the largest water parks in our city. This picnic was planned for the students of classes 5 to 9, and all the necessary arrangements were made by the school administration.*

*As the day came to an end, the students were tired but content with the memories they had created. The ride back to school was a mixture of laughter, chatter, and contentment. The entire experience was a resounding success, and all the students expressed their gratitude to the school administration for organizing such a wonderful picnic. It provided them with an opportunity to bond with their classmates, have fun, and experience the thrill of the water park. Such outings not only enhance the students' educational experience but also create lasting memories.*

## ***ANNUAL SPORTS DAY***

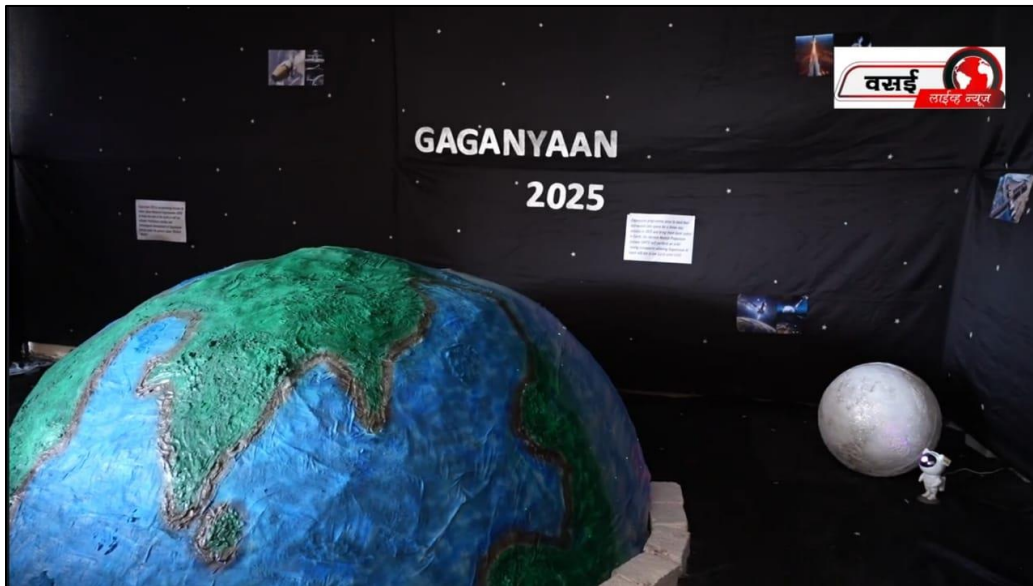

*After a day filled with intense competition, the final results were announced, with the Yellow House emerging as the winners of the Annual Sports Meet 2024. The athletes from the Yellow House showcased their exceptional skills and teamwork, earning them the much-deserved victory. The Red House secured the runner-up position, displaying remarkable performances in all events.*

*The closing ceremony was an emotional moment as the principal presented the winners and runners-up trophies to the respective houses. The athletes were applauded for their dedication, hard work, and spirit throughout the event.*

## ***SCI-PI EXHIBITION***

*The exhibition created a vibrant platform for students and staff members to showcase their exceptional talents and innovative projects in the fields of science and mathematics. The event was meticulously organized, providing visitors with a comprehensive exploration of the various scientific and mathematical concepts exhibited.*

## ***CBSE ACTIVITIES***

*INGS being an affiliated CBSE school focuses on organizing activities for children that are driven by the CBSE board. Students also actively participate in PPC – Pariksha pe Charcha and Swachhata Pakhwada activity along with English language oriented G-20 India’s Vision for Harmonious world and Mathematical quotient oriented Aryabhata Ganit challenge.*

*Students of Grade VIII and IX also participated and conquered prestigious position in CBSE Science Exhibition. Students excel in competitive exams viz. SOF and Spell Bee to add a feather on their academic cap and inculcate great learning experience.*

## ***FAREWELL***

*Students of grade X – The first grade X batch of INGS were bid adieu on 12th January with fond memories and great learning experiences.*

*With regards to the philosophy of the school, the entire team of INGS works with dedication to fulfil the dream of the students and set benchmark in the education world to conquer expertise with kindness.*
