

POETRY SLAM COMPETITION

“Poetry is when an emotion has found its thought and the thought has found words.”

Introduction:

A poetry slam competition on the topic 'Take Care Earth' was organized by Isaac Newton Global School with the aim of raising awareness about environmental conservation and promoting a sense of responsibility towards protecting our planet. The competition invited poets of all ages to submit their original works that reflected the theme of taking care of the Earth.

Purpose and Significance:

The purpose of the competition was to encourage creativity and artistic expression in addressing critical issues such as climate change, pollution, and the depletion of natural resources. By using poetry as a medium, the competition aimed to inspire individuals to reflect on their relationship with the environment and the impact of their actions on the planet.

Objectives:

- To inspire individuals to think creatively about environmental issues.
- To raise awareness about the importance of preserving the Earth.
- To encourage a sense of responsibility towards sustainable living practices.
- To promote the power of poetry as a tool for social change and advocacy.

9 B	Green	Red	Yellow

Implementation:

Participants were given time to discuss and compile their poem in the first period and then present it in the second period. The panel of judges was tasked with selecting the winning entries based.

Outcome and Result:

The competition received an overwhelming response, with entries. The winning poets of respective house will be awarded certificate for their contributions to the cause of environmental conservation.

Impact and Benefits:

The poetry competition not only provided a platform for individuals to showcase their talent and creativity but also sparked important conversations about the need to take care of the Earth. Through the power of words and imagery, the poems raised awareness about environmental issues and inspired listeners to act in their own lives to protect the planet. The competition also fostered a sense of community among participants who shared a common goal of creating a more sustainable and eco-friendlier world.

Conclusion:

Overall, the poetry competition on the topic 'Take Care Earth' was a resounding success in promoting environmental awareness and engagement among participants and readers. Through the beauty and power of poetry, individuals were able to convey important messages about the importance of preserving our planet for future generations. The competition served as a reminder of our shared responsibility towards the Earth and instilled a sense of hope and inspiration for a more sustainable future.
